PhD candidate in UFRGS, Master in Computer Science (UFRGS) and Bachelor in Computer Science (UFBA). Solid knowledge of the languages C and C++, besides experience with Java, JavaScript, PHP, VisualBasic, SQL and long experience with Linux OS. Fluent in English, with basic knowledge of French, German and Italian.

University Education

- **PhD candidate in Computer Science, UFRGS**
Started in 2009. Expected conclusion in 2013
 - **Master in Computer Science, UFRGS**
Started in 2007. Concluded in 2009. Research area: distributed systems.
Work title: "Lidando com recursos escassos e heterogêneos em um sistema distribuído atuando como servidor de MMOG" (in english: Dealing with scarce and heterogeneous resources in a geographically distributed MMOG server system)
Advisor: Prof. Dr. Cláudio Fernando Resin Geyer
 - **Bachelor in Computer Science, UFBA**
Started in 2002. Concluded in 2007.
Work title: "QoS para jogos multijogador em redes IEEE 802.11" (in english: QoS for multiplayer games in IEEE 802.11 networks)
Advisor: Prof. Dr. George Marconi de Araújo Lima
-

Foreign Languages

- **German** (basic) – german course: *Alles Gute!*.
 - **French** (basic) – course attended at the *Alliance Française*.
 - **Italian** (básico) – course attended at *Massolin de Fiori Società Italiana*.
 - **English** (fluent) – knowledge acquired as a self-teacher and by frequently using the language
-

Professional Experience

- **2007 – P2PSE project - UFRGS**
Development (with C++) of the support for multiple servers in the P2PSE library for massively multiplayer online games.
 - **2006 – Interactive Digital Entertainment**
Development (with C++) of the game We Are The Champignons, with the InGE game engine.
 - **2006 – Interactive Digital Entertainment**
Development (with C and C++) of the network module of the InGE game engine, using XML and SDL (simple directmedia layer).
 - **2006 – CPD, UFBA**
Web development, with Java, Struts, Hibernate and PostgreSQL.
 - **2005 – Jabil Circuit**
Programming with VB, VB.net and Microsoft SQL Server, along with research on IEEE 802.11 wireless networks.
